PRODUCT DATA SHEET

Flux modular storage linking bracket

FL-BKT-LNK

The Flux modular shelving system epitomises the future of adaptable, modern design. Flux has a capacitor for an infinite number of layout options and shapes to help create work zones in any space to promote privacy or transparency as needed. The crisp, clean aesthetic of the black frame allows you to break up the workplace landscape while bringing together a wide range of complementary components and products – and, never compromising on design.

PRODUCT FEATURES

- Linking bracket to connect Flux units together
- Add additional brackets to large configurations for increased stability
- Supplied with 4 screws and easy to fit
- Fully welded frame construction for easy installation & added strength
- Modular grid based shelving/storage system for adaptable, flexible spaces
- Configured in an infinite number of ways to suit any space
